

Celtic Xpress, Inc., a division of Celtic International, Inc., is a full service transportation provider to 48 states as well as Canada and Mexico. We are centrally located outside Chicago, Illinois in Orland Park and are currently operating over 250 units. Celtic Xpress has a sales network in all the major manufacturing cities throughout the United States, working with many Fortune 500 companies and the Department of Defense. Our goal is to service our customers on a local, regional or nationwide basis, with flatbed, van, step deck or specialized equipment.

Collectively, our management team has over 100 years of experience in the freight business. Celtic International, Inc. offers rail transportation service throughout North America. For additional information or rates and availability of equipment, please contact our Corporate Office.
